

Campus Contact Session

Campus contact session is a Mandatory Non-Letter Grade course.

A campus contact session will be conducted in April/May at university campus, Pune. It is mandatory for all registered learners to attend the campus contact session (except international learners). The interactive session will consist of lectures by the faculty and guest speakers.

Please note that attendance to campus contact session is one of the mandatory criteria towards eligibility for the award of Diploma for all learners (except international learners).

The learner who fails to attend the campus contact session in the assigned academic batch but passes in all other mandatory assessment criteria must attend the campus contact session organized in the next academic year for becoming eligible for the award of the Diploma. Such learners have to pay applicable fees for attending campus contact session of the next academic year.

You have to register for the campus contact session. Registration details and schedule will be available on the website beforehand.
